PERSONAL EXPENSES

- (9) Members who incur telephone expenses that are not MLA business related must reimburse the Minister of Finance for these charges. - (11) Members have the option of personally purchasing their surplus cellular telephone equipment package(s) as described in clause (3).

Purchase costs are based on fair market value and shall adhere to the following scale: 100% of purchase price for equipment that is less than 1 year old; 50% of purchase price for equipment that is 1-2 years old; 20% of purchase price for equipment that is 2-3 years old; 10% of purchase price for equipment that is 3-5 years old. Equipment more than five years old is deemed to have zero value.

The only exemption is the purchase of security system(s) outlined in Clause 4. When the Member ceases to be a Member, the Member is deemed to be the owner of the security system(s). Please refer to the **MLA Capital Assets and Disposal Policy**.

A Member may utilize this equipment and furniture in the manner the MLA considers appropriate to best exercise the Member's duties.

When the office equipment has been assumed by Executive Government as described in Directive #2.1 – *Telecommunication and Related Expenses*, clause (8), the Member's inventory shall be updated accordingly to reflect any transfer of assets.

When the office furniture and equipment is no longer required by the Member, the Member should advise the Legislative Assembly Service (Member Services) **prior** to disposing or transferring the equipment or furnishings to another MLA. When a Member ceases to be a Member, the equipment and furniture shall be disposed of in accordance with the **MLA Capital Asset Disposal Policy**.

- (22) Every Member shall, with the assistance of the Legislative Assembly Service, file an annual inventory of all capital assets of \$350 or more including office equipment, furnishings, artwork and items of special interest purchased pursuant to this Directive. The Legislative Assembly Service will maintain the fixed asset listing, including photographs of the assets.

Members are required to review their inventory listing annually and are required to certify that the asset listing is correct and that all assets have been accounted for by June 30th of each year. The Legislative Assembly Service will periodically audit the inventories of constituency offices.

- (23) Purchases of artwork shall not exceed \$350.

- (26) A Member may seek re-imbursement or seek direct payment for the rental costs of the leased constituency office premises if the lease meets all of the requirements set out in this Directive.
- (27) A lease for a constituency office:
