RE: Audited Financial Statements for 2024-2025

Dear Speaker Goudy:

Pursuant to Board of Internal Economy Directive #23: Caucus Accountability and Disclosure I am hereby submitting a corrected version of the addendum to the Audited Caucus Financial Statements for 2024-2025, which were tabled on November 4 and October 1, 2025, respectively, to be tabled as an addendum to the addendum on today's date.

Note: The original document was tabled as Sessional Paper 273.

Sincerely,

Jeremy Nolais
Chief of Staff

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The financial statements of New Democratic Party Caucus have been prepared in accordance with Canadian accounting standards for not-for-profit organizations. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances. These statements include certain amounts based on management's estimates and judgments. Management has determined such amounts based on a reasonable basis in order to ensure that the financial statements are presented fairly in all material respects.

The integrity and reliability of New Democratic Party Caucus's reporting systems are achieved through the use of formal policies and procedures, the careful selection of employees and an appropriate division of responsibilities. These systems are designed to provide reasonable assurance that the financial information is reliable and accurate.

The Caucus Committee is responsible for ensuring that management fulfills its responsibility for financial reporting and is ultimately responsible for reviewing and approving the financial statements. The Committee meets periodically with management and the members' auditors to review significant accounting, reporting and internal control matters. Following its review of the financial statements and discussions with the auditors, the Caucus Committee approve the financial statements and considers the engagement or re-appointment of the external auditors.

The financial statements have been audited on behalf of the members by MWC Chartered Professional Accountants LLP, in accordance with Canadian generally accepted auditing standards.

INDEPENDENT AUDITOR'S REPORT

To the Members of New Democratic Party Caucus

Opinion

We have audited the financial statements of New Democratic Party Caucus (the "Caucus"), which comprise the statement of financial position as at March 31, 2025, and the statements of operations, changes in net debt and cash flows for the five month period then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Caucus as at March 31, 2025, and the results of its operations and cash flows for the five month period then ended in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Caucus in accordance with ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

We have also undertaken a reasonable assurance engagement on the Caucus' compliance with directives set out by the Board of Internal Economy and provided an opinion on the Caucus' internal control over financial reporting in accordance with COSO's Internal Control - Integrated Framework under separate Independent Practitioner's Reports dated September 16, 2025.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Caucus's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Caucus or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Caucus's financial reporting process.

Independent Auditor's Report to the Members of New Democratic Party Caucus (continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Caucus's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Caucus's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Caucus to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NEW DEMOCRATIC PARTY CAUCUS

Notes to Financial Statements

Five Month Period Ended March 31, 2025

1. PURPOSE OF THE CAUCUS

The New Democratic Party Caucus (the "Caucus") is organized under section 50(1)(b) of the Legislative Assembly and Executive Council Act. The Caucus provides research, secretarial and general services for the New Democratic Party of Saskatchewan Members of the Legislative Assembly.

The Caucus receives funding from the Legislative Assembly pursuant to various directives adopted by the Legislative Assembly's Board of Internal Economy.

The Caucus year end coincides with the fiscal year end of the provincial government. In the event of a provincial election, the Caucus is dissolved the day before polling day and a new Caucus begins the day after.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

Financial instruments policy

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

Financial assets including cash and accounts receivable are reported at amortized cost.

Financial liabilities including accounts payable and accrued liabilities are measured at amortized cost.

Revenue recognition

Allowances and grants are recognized on a monthly basis per the directives of the Board of Internal Economy. Interest and other income is recognized in the period earned and cost recoveries are recognized in the period the cost is incurred if the amount can be estimated and collection is reasonably assured.

Capital assets

Capital assets are stated at cost or deemed cost less accumulated amortization. Capital assets are amortized over their estimated useful lives on a straight-line basis at the following rates:

Equipment	5 years
Computer equipment	3 years

NEW DEMOCRATIC PARTY CAUCUS

Five Month Period Ended March 31, 2025

3. ACCOUNTS RECEIVABLE

As at yearend, the Caucus' accounts receivable includes:

	<i>March 31 2025</i>	<i>October 27 2024</i>
Opposition Caucus Grant	\$ 51,738	\$ 46,178
Canada Post reimbursement from MLAs	20,458	-
Reimbursement for retirement allowance payable to employees	-	211,446
	\$ 72,196	\$ 257,624

4. CAPITAL ASSETS

	<i>Cost</i>	<i>Accumulated amortization</i>	<i>Net book value</i>	<i>March 31 2025</i>	<i>October 27 2024</i>
Equipment	\$ 7,117	\$ 3,082	\$ 4,035	\$ 7,117	\$ 137
Computer equipment	12,330	6,609	5,721		3,949
	\$ 19,447	\$ 9,691	\$ 9,756		\$ 4,086

5. ACCOUNTS PAYABLE AND ACCRUALS

In accordance with the Board of Internal Economy Directive #23 - Caucus Accountability and Disclosure, at year end, accounts payable and accrued liabilities include:

	<i>March 31 2025</i>	<i>October 27 2024</i>
Professional fees and contractual services	\$ 35,012	\$ 25,520
Printing, postage and delivery	21,643	9,095
Equipment maintenance and website service	16,952	-
Metric project	5,000	-
Telephone and communications	3,083	-
Travel and accomodation	1,023	-
Credit card	(1,822)	-
	\$ 80,891	\$ 34,615

6. LINE OF CREDIT

The Caucus has a line of credit of \$20,000 available of which no amount has been drawn upon at year end. The line of credit is secured under a general security agreement and bears interest at 4.950%. Reported bank indebtedness arises from cheques issued in excess of funds on deposit.

NEW DEMOCRATIC PARTY CAUCUS

Notes to Financial Statements

Five Month Period Ended March 31, 2025

7. FINANCIAL INSTRUMENTS

The Caucus is exposed to various risks through its financial instruments and management is responsible to monitor, evaluate and manage these risks. The following analysis provides information about the Caucus's risk exposure and concentration as of March 31, 2025.

Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Caucus' income is from grant funding sources and therefore it is management's opinion the Caucus is not exposed to significant credit risk. Any exposure to unrecoverable cost recoveries is nominal as no cost outlay is made until the arrangement is in place.

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Caucus' significant exposure to liquidity risk is related to accumulated employee payables that are not funded by Legislative Assembly. As at yearend the balance is \$24,370 (2024 - \$67,923) which is included in wages payable.

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. The Caucus does not have significant exposure to interest rate risk.

8. CAUCUS SURPLUS

Board of Internal Economy Directive #23 - Caucus Accountability and Disclosure provides that within six months of polling day, surplus Caucus funds, if any, after payment of outstanding accounts shall revert to the Crown if the Caucus ceases to exist as a result of the provincial election.

INDEPENDENT PRACTITIONER'S REASONABLE ASSURANCE REPORT ON INTERNAL CONTROLS

To the Board of Internal Economy

We have undertaken a reasonable assurance engagement of New Democratic Party Caucus' operating effectiveness of internal controls as of March 31, 2025 to express an opinion as to the effectiveness of its internal controls related to the following objectives:

- To safeguard and control public money by implementing adequate rules and procedures to ensure public money is used appropriately and fully accounted for in accordance with the Board of Internal Economy directives.
- to prepare financial statements in accordance with Canadian accounting standards for not-for-profit organizations;

CPA Canada defines control as comprising those elements of an organization that, taken together, support the achievement of the organization's objectives. Control is effective to the extent that it provides reasonable assurance that the organization will achieve its objectives.

New Democratic Party Caucus' management is responsible for effective internal controls related to the objectives described above. Our responsibility is to express an opinion on the effectiveness of internal control based on our audit.

We used the control framework included in COSO's Internal Control-Integrated Framework to make our judgments about the effectiveness of New Democratic Party Caucus' internal controls. We did not audit certain aspects of internal controls concerning the effectiveness, economy, and efficiency of certain management decision making processes.

We conducted our reasonable assurance engagement in accordance with Canadian Standard on Assurance Engagements (CSAE) 3001, Direct Engagements. This standard requires that we plan and perform this engagement to obtain reasonable assurance as to the effectiveness of New Democratic Party Caucus' internal controls related to the objectives stated above. The nature, timing and extent of procedures performed depends on our professional judgment, including an assessment of the risks of material misstatement, whether due to fraud or error, and involves obtaining evidence about the effectiveness of internal controls. An audit includes obtaining an understanding of the significant risks related to these objectives, the key control elements and control activities to manage these risks, and examining, on a test basis, evidence relating to control.

Reasonable assurance is a high level of assurance, but is not a guarantee that an engagement conducted in accordance with this standard will always detect a material misstatement when it exists.

Our audit on the effectiveness of New Democratic Party Caucus' internal controls related to the above objectives does not constitute an audit of internal control over financial reporting performed in accordance with an audit of financial statements in CPA Canada Handbook - Assurance Section 5925 An Audit of Internal Control over Financial Reporting that is Integrated with an Audit of Financial Statements.

Independent Practitioner's Reasonable Assurance Report on Internal Controls (continued)

Control can provide only reasonable and not absolute assurance of achieving objectives reliably for the following reasons. There are inherent limitations in control including judgment in decision-making, human error, collusion to circumvent control activities, and management overriding control. Cost/benefit decisions are made when designing control in organizations. Because control can be expected to provide only reasonable assurance and no absolute assurance, the objectives referred to above may not be achieved reliably. Also, projections of any evaluation of control to future periods are subject to the risk that control may become ineffective because of changes in internal and external conditions, or that the degree of compliance with control activities may deteriorate.

We believe the evidence we obtained is sufficient and appropriate to provide a basis for our opinion.

In our opinion, subject to the limitations noted above, New Democratic Party Caucus's internal controls were operating effectively, in all material respects, to meet the objectives stated above as of March 31, 2025 based on COSO's Internal Control Integrated Framework.

This report is provided solely for the use of the Board of Internal Economy of the Legislative Assembly of Saskatchewan and should not be used for any other purpose.

We accept no responsibility for loss or damages, if any, suffered by any third party as a result of decisions made or actions taken based on information contained in this report.

We have complied with the ethical requirements of the Chartered Professional Accountants of Saskatchewan - Rules of Professional Conduct, founded on fundamental principles of integrity, objectivity, professional competency and due care, confidentiality and professional behaviour.

We apply the Canadian Standard on Quality Management 1 issued by CPA Canada and, accordingly, maintain a comprehensive system of quality management, including documented policies and procedures regarding compliance with ethical requirements, professional standards, and applicable legal and regulatory requirements.

INDEPENDENT PRACTITIONER'S REASONABLE ASSURANCE REPORT ON COMPLIANCE

To the Members of New Democratic Party Caucus for submission to the Board of Internal Economy

We have undertaken a reasonable assurance engagement of New Democratic Party Caucus compliance during the period October 28, 2024 to March 31, 2025, with 1) Directive #7.2 Caucus Resources, 2) Directive #7.3 Caucus Information Technology Resources, 3) Directive #11 Grant to Office of the Leader of the Opposition and 4) Directive #23 Caucus Accountability and Disclosure ("the specified requirements") established by the Board of Internal Economy ("the Board").

Management's Responsibility

Management is responsible for New Democratic Party Caucus compliance with the specified requirements of the Board. Management is also responsible for such internal control as management determines necessary to enable New Democratic Party Caucus compliance with the specified requirements.

Our Responsibility

Our responsibility is to express a reasonable assurance opinion on the New Democratic Party Caucus' compliance based on the evidence we have obtained. We conducted our reasonable assurance engagement in accordance with Canadian Standard on Assurance Engagements 3531, *Direct Engagements to Report on Compliance*. This standard requires that we plan and perform this engagement to obtain reasonable assurance about whether the entity complied with the specified requirements, in all significant respects.

Reasonable assurance is a high level of assurance, but is not a guarantee that an engagement conducted in accordance with this standard will always detect a significant instance of non-compliance with specified requirements when it exists. Instances of non-compliance can arise from fraud or error and are considered significant if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users of our report. A reasonable assurance compliance reporting engagement involves performing procedures to obtain evidence about the entity's compliance with the specified requirements. The nature, timing and extent of procedures selected depends on our professional judgment, including an assessment of the risks of significant non-compliance, whether due to fraud or error.

We believe the evidence we obtained is sufficient and appropriate to provide a basis for our opinion.

Our Independence and Quality Management

We have complied with the relevant rules of professional conduct / code of ethics applicable to the practice of public accounting and related to assurance engagements, issued by various professional accounting bodies, which are founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

Independent Practitioner's Reasonable Assurance Report on Compliance (continued)

The firm applies Canadian Standard on Quality Management 1, Quality Management for Firms that Perform Audits or Reviews of Financial Statements, or Other Assurance or Related Services Engagements, which requires the firm to design, implement and operate a system of quality management, including policies or procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Opinion

In our opinion, New Democratic Party Caucus complied with the specified requirements established by the Board of Internal Economy during the period October 28, 2024 to March 31, 2025, in all significant respects.

We do not provide a legal opinion on New Democratic Party Caucus compliance with the specified requirements.
